

# Errata in “Modern approaches to the invariant-subspace problem”

Isabelle Chalendar and Jonathan R. Partington

May 2, 2012

**If you find any more, please let us know!**

Page 87, line 1. ‘less that’ should be ‘less than’.

Page 92, first displayed equation. The final  $|h(z)|^2$  should be just  $|h(z)|$ .

Page 154, line 5, should read  $\phi(T)f = \sum_{n \in \mathbb{Z}} \hat{\phi}(n)T^n f$ .

Page 187, Line -11: It says  $\|Tz_n - t_0\|$ , but it should be  $\|Bz_n - t_0\|$ .

Page 187, Line -1: The instances of  $t_0$  in that line should be  $t_1$ .

Page 188, Line 2: It says  $Ax_0 - t_0 = Ax'_0 - t_0$ , but  $t_0$  should be  $t_1$  in both instances.

Page 199, Line -6. It says  $f_0\chi_{X_1^{(1)}}$ , but it should be  $f_0\chi_{X_1^{(2)}}$ .
